Monmouth Council In By Acclamation

Saturday evening, November 22, the ratepayers of Monmouth Township returned their Municipal Council by acclamation. It is the first time this has happened in Monmouth Township for several decades.

Approximately 50 ratepayers attended the Nomination Meeting. When nominations were declared closed Mr. Murray Agnew was called upon to act as Chairman for the reports from the members of Council, the Assessor and the Building Inspector. Each gave a good report of the year's activity and in some instances what could be looked for in the years ahead. Questions were then asked and the answers were informative.

Reeve Gary Agnew gave an interesting item regarding taxation per capita comparison with neighbouring municipalities. This information received from the Department of Municipal Affairs showed that Monmouth Township was lower than neighbouring

municipalities.

Mr. Keith Cameron, Building Inspector, reported that building had increased by 40 percent and that next year it should double as the lake development is increasing.

Mr. Ross Anderson Jr., the Township Assessor, gave information in regard to the new Provincial assessing which comes into effect in January 1970.

Reeve Gary Agnew will be starting his eleventh term, having served as Councillor and Reeve. Ted Deterling will be serving as Councillor for his fifth term, Fred Taylor will be a Councillor for his third term, and Keith Tallman and Mel Croft will appear on Council for their second term.

Council expressed their thanks for the confidence that the ratepayers have placed in them by returning them to office for 1970.

The meeting came to a close at 10:45 p.m.

Three In Hospital Following Crash

LINDSAY (ENS) — Three people were taken to Huntsville Hospital following a one-car accident at 3:35 a.m. on Sunday north of Minden. Damage was estimated at \$600 to the small European car. Driver was George Henry Kane of Bracebridge, who sustained cuts to his head. Passengers Ella Kane and Lola Daoust suffered shock and cuts. Constable Joe Watson investigated.

Damage was estimated at \$200 to a car driven by Richard Lewis Handy of Downsview at 4:00 a.m. on Sunday, Minden Police report. Another car involved in the accident, driven by Owen Stanford Mintz of Irondale, was not damaged. No injuries were reported. Constable Barry Connolly investigated.

(Peterborough Examiner)

Cardiff Township Nomination Held

The Township of Cardiff held their Nomination Meeting last Monday, November 17.

The Reeve and Councillors were all returned by acclamation. Repeating as Reeve is Malcolm McGillivray, and the Councillors are Louis Ruthven, James McBride, Elwood Peel and Edison Lewis.

NOTE TO ADVERTISERS

We must ask the advertisers to have their Classified Advertisement material in not later than Tuesday noon, and Display Advertisements which reach this office later than 6:00 p.m. on Tuesday run the risk of not appearing in the paper.

In order for us to have the Echo out on Thursday mornings these deadlines must be adhered to.

Re Ownership Of Stanhope Airport

The following letter has been passed on to the Haliburton Highlands Stanhope Airport Committee. This letter will perhaps clarify the position of ownership of the Airport, a point which has possibly created some confusion in the minds of some of the Stanhope taxpayers.

DONALD J. FINN, B.A., LL.B.,
Minden, Ontario
Haliburton County
Barrister and Solicitor
Notary Public

Telephone: 289 or 189
P.O. Box 158.

October 30, 1969.

D. F. Morrison, Esq.,
Department of Transport,
Ferguson Block,
Queen's Park,
Toronto 5, Ontario.

Dear Sir:

Re: Stanhope Airstrip

In this particular matter, I thank you for your letter and appointment of October 3rd, 1969. I have investigated the Title to the lands described herein

and one is under an expropriation and is properly invested in the Corporation of the Municipality of Stanhope and the other parcel of land has been Deeded to the Corporation of the Municipality of Stanhope by virtue of Instrument No. 45647.

The Title, therefore, to both parcels of land appears to be in order.

I am suggesting that there be an appropriate By-law prepared by the Municipality of Stanhope indicating that the property involved is not to be used other than an airstrip and support functions, without the prior written approval of the Minister of Transport for the Province of Ontario.

In addition, the By-law will also provide that this property is not to be sold or leased without the approval of the Minister of Transport for the Province of Ontario.

Yours truly,

Donald J. Finn.

HALIBURTON NEWS LETTER

Very mild weather this week and as we write it is one of those very odd days that the sun is shining — sure a welcome change from the dull damp weather that we have been getting day after day. Head Lake is only partially frozen over, which is proof that we have not had many cold nights.

We are glad to report that Mrs. Madeline Austin is recuperating satisfactorily after undergoing surgery in Ross Memorial Hospital, Lindsay.

Two officials from the Ontario Water Resources Commission met with Dysart et al Reeve Roy Brohm and Councillor Harold Bannan for further discussion regarding sewage and waterworks for Haliburton Village. The idea behind these talks is to provide the O.W.R.C. with all the information necessary to enable them to arrive at a price that will be within reach of the average home owner in the Village of Haliburton.

We are sorry to report that Mr. Frank McIntyre has been a patient in the Ross Memorial Hospital in Lindsay where he underwent surgery. We all wish him a speedy recovery.

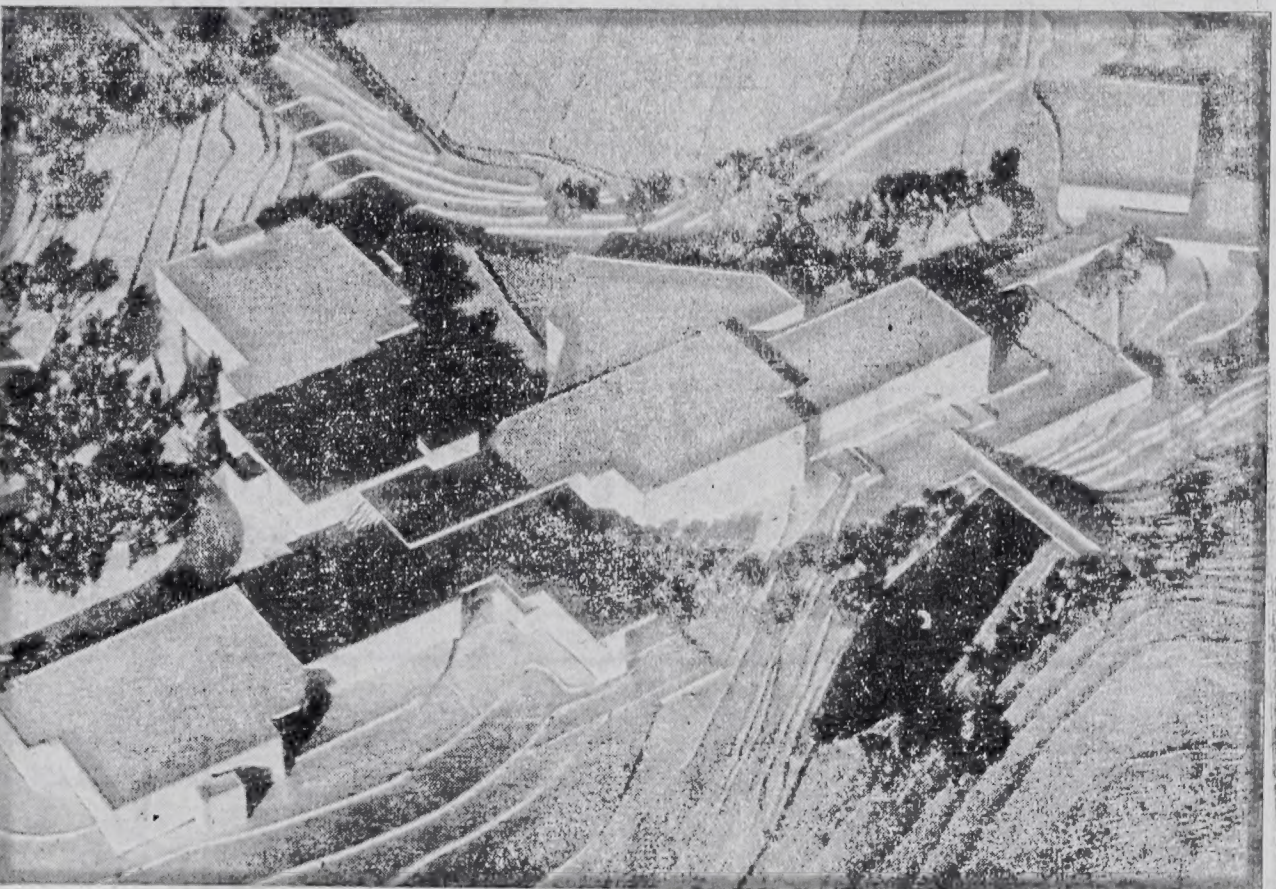

Where, oh where, have all the deer gone? This has been the subject of much discussion ever since hunting season, which was the most unsuccessful in history. Various reasons have been advanced for this sudden decrease in the deer population: some blame the increase in wolf population, others blame dogs which are allowed to run at large all the year round, while others claim the season should be cut in half but we are afraid that such

Snowdon To Hold Election

A crowd of 40 people were in attendance at the Township of Snowdon Nomination Meeting at the Gelert Hall held on Friday evening, November 22.

Two nominees will be standing for Reeve and seven are seeking a seat on Council. The Election will be held on Saturday, December 6.

Bob Vick, incumbent, will be opposed by Ralph Young for the position of Reeve. The seven people running for four seats on Council are as follows: Frank Bacon, Carl Francis, Ron Graham, Steve Hancock, Gerald Hicks, Michael Newell and Mrs. Grace Simmons.

An architect's model of the proposed permanent Peterborough campus of Sir Sandford Fleming College has been unveiled. The complex will be built in stages. The first section, indicated by the dark roof, will house 600 students and will be completed at the earliest by September 1970, at an estimated cost of under \$2 million. Other sections shown here will be built as need and provincial funds dictate, with an ultimate capacity of 2,000 students. Aiming for low construction costs and a pleasing appearance, the major building materials will be bronze anodized aluminum and brown clay block. The finger-like area in the right foreground is a proposed pond at the south side of the campus. Location is on the southwest corner of Peterborough just north of the Highway 7 bypass, a site chosen for easy access from the area served by Sir Sandford (Haliburton, Peterborough, western Northumberland and Victoria Counties).

Haliburton Huskies Juniors Continue Winning Ways

The Haliburton Huskies continue to shine in the early part of the O.H.A. Junior 'D' season. After five games the Huskies have managed four wins and a loss, outscoring the opposition 31 to 14. It appears that the Huskies could be the team to beat in the eight-team league this year, although Cannington and Bobcaygeon have also had a good start.

The Huskies won their third game in a row last Thursday night when they travelled to Fenelon Falls and left with a 9-3 win. Although the Huskies started slowly in the first, they got their skating legs in the second period and then were never headed from there on in. Fenelon drew first blood when they scored early in the period, but Bob Woodcock scored at 11:47 to even the score, with an assist going to Dan Carpentier. Fenelon again jumped into the lead at 15:15, only to have Brian Walter tie the game a minute later on passes from Craig Stamp and Bob Woodcock. Craig Stamp put the Huskies in the lead to stay when he scored on a hard shot at the 17:45 mark. Brian Walter and Cam Botting were credited with an assist. This goal came on a power-play that had Fenelon bottled up in their own end for most of the penalty.

Fenelon never threatened from there on, as the Huskies started to skate and handle the puck with

authority. Cam Botting and Roger Scheffee each scored two goals with singles going to Darryl Stamp and Brian Walter.

Lewis Dummitt in the Huskies net was called on to make a few key saves in the first period, but Fenelon failed to muster much of an attack in the second and third frames. The Huskies outshot Fenelon 50 to 27.

Keswick were the visitors to Haliburton on Saturday evening, and the Huskies, although playing lack-lustre hockey, were able to trim the visitors to the tune of 9-2. The young players on the Huskies lineup continue to impress everyone with their all round play and the number of points that they are picking up in the scoring department. Cam Botting is only a first-year Midget and he is now leading the team in scoring. Bob Woodcock played an outstanding game on defence for the Huskies.

Gerry McElwain opened the scoring in the game with his first goal of the season; this turned out to be the only goal of that period. Brian Walter scored early in the second, with Keswick counting their first goal a few seconds later. Cam Botting and Craig Stamp added to the total in the second giving the Huskies a 4-1 lead. Keswick pulled within two goals as Gillian scored in the third. This proved to be Keswick's last goal of the game. Gord

Scheffee, Brian Walter with his second goal of the game, Dan Carpentier, John Wilson and Craig Stamp (also his second goal of the game) completed the Huskies scoring.

The Huskies travelled to Keswick on Tuesday evening, and this Saturday night Fenelon Falls will be the visitors to the Haliburton Arena. Try to attend and see some fine young hockey players in action.

DEPARTMENT OF HIGHWAYS Province of Ontario

NAVIGABLE WATERS PROTECTION ACT R.S.C. 1952, Chapter 193

The Department of Highways, Ontario, hereby gives notice that it has, under Section 7 of the said Act, deposited with the Minister of Transport, at Ottawa, and in the office of the District Registrar of the Land Registry District of the Provisional County of Haliburton at Minden a description of the site and the plans of the bridge proposed to be built over the Irondale River at Gooderham in the Township of Glamorgan, County of Haliburton, being on Lot 28, Concession V, approximately 400 ft. southwest along Secondary Highway 507 from the intersection of Secondary Highway 507 with Secondary Highway 503. Registered Plan No. 46043 at Minden.

AND TAKE NOTICE that after the expiration of one month from the date of the publication of this notice the Department of Highways, Ontario will under Section 7 of the said Act apply to the Minister of Transport for approval of the said site and plans.

DATED this 14th day of November 1969.

A. K. March
Deputy Minister
Department of Highways, Ontario

16 - Haliburton at Fenelon Falls
17 - Kinmount at Bobcaygeon
(Remainder Next Week)

Scores Of Minor Hockey Games

The Minor Hockey season is underway and the following results have been handed to us having to do with games played a week ago:

Novice
Haliburton 3 Bobcaygeon 0
Pee Wees
Haliburton 7 Fenelon Falls 0
Bantams
Haliburton 6 Minden 0
Midgets
Haliburton 5 Minden 3

We might say that the above scores would seem to indicate that the teams who have the chance to practice on artificial ice earlier than their opposition would seem to have the jump on the opposing teams.

Haliburton, Kawartha, Pine Ridge District Health Unit Report For September 1969

Good progress is continuing in the establishment of uniform services and procedures throughout the Counties of Victoria, Haliburton, Northumberland and Durham since the appointment of senior staff for the District Health Unit in May 1969.

The Health Unit staff, working from the nine offices, located strategically in the area, serve a total population of approximately 130,000 persons. It is estimated

that, in the summer, this number may rise to at least 300,000, and all planning must take this into account.

Communicable Disease

Twenty-six cases were reported to the Health Unit during the month, 11 of these being infectious hepatitis. Other diseases reported were mumps, chickenpox, german measles and salmonellosis.

Seven rabid animals were re-

ported - 3 bovine, 2 canine, 1 feline and 1 bat. These were in Bowmanville, Clarke and Hope Townships in Durham County, Percy Township in Northumberland, and Eldon and Verulam Townships in Victoria County. Because of contact with animals found to be rabid, two persons received rabies vaccine.

Tuberculosis

Complete statistics are not available for Victoria and Haliburton Counties at present. In Northumberland and Durham, four chest clinics were held at Bowmanville, Port Hope, Cobourg and Campbellford, and 82 persons received a chest x-ray.

Immunization

Eighty clinics were held, some at schools and the remaining in connection with child health conferences at the Health Unit offices. At these, 18 children completed the initial series of Quint vaccine - this gives protection against five diseases, namely diphtheria, whooping cough, tetanus, poliomyelitis and measles. Seventeen children completed the series of Quad vaccine, and 48 had a reinforcing dose. There were 13 primary smallpox vaccinations and 12 re-vaccinations; 21 pre-school children and 422 school children received measles vaccine.

Public Health Nursing

The nursing staff were pleased to have a full day staff meeting in September. This meeting included all the nurses from Haliburton and Victoria Counties, as well as those from Northumberland and Durham.

In the morning, Dr. F. J. Bowerman, Oculist from Oshawa, spoke to the staff about difficulties in vision in children. Mr. Glen MacLeod, Superintendent of Instruction with the Northumberland Durham Counties Board of Education, addressed the meeting in the afternoon. His subject concerned present-day thinking in education.

As the nurses do a great deal of work in schools, both these speakers were very much appreciated.

Audiometry

During July and August, a small number of hearing tests were carried out at the Health

Unit Office at Cobourg - these were on a referral basis.

Routine testing was resumed in the schools in the latter part of September, and carried out in Darlington and Hamilton Townships and Cobourg, Port Hope and Campbellford.

No new defects were found during this time. Six defects were found to be still present on retest, and one retest was normal.

During a special survey on school repeaters conducted from September 1968 to June 1969, 208 students were tested. There were no defects found.

Environmental Sanitation and Food Control

In co-operation with the Waste Management Branch of the Department of Energy and Resources Management, all municipal refuse disposal sites in Northumberland County were inspected by Mr. Paul Davidson, P.Eng., of that Branch, in company with the Public Health Inspectors of particular areas.

Now that branches have been developed within the Department of Energy and Resources and have been given Provincial Government authority, through Acts and Regulations, to advise on and require municipalities to locate, operate and maintain their refuse disposal sites in a more satisfactory manner, there may be more progress in respect to these sites than has been accomplished in the past, under the limited authority under The Public Health Act.

In upgrading the disposal of solid waste, it is expected that the development of nuisances such as rodent infestations, air pollution through burning, and ground water and stream pollution will be abated. It is planned to continue the programme of joint inspections throughout the entire Haliburton, Kawartha, Pine Ridge District Health Unit. During the month 48 inspections were made.

General Remarks

We have increased nursing staff in the Lindsay and Bowmanville areas. Mrs. B. Bristow, R.N., left the Cobourg Office and her place is being taken by Mrs. L. Tudhope, R.N., whose home is in Cobourg. Mrs. B. Read, Public

Health Nurse, joined the Cobourg staff; she took her public health nursing diploma at the University of Alberta. Mrs. M. Tallman, B.Sc.N., who is living in Wilberforce, is now the Public Health Nurse in the Haliburton Office. Mrs. L. R. Coppins, Public Health Nurse, who is living in Cameron, Victoria County, will be working from the Lindsay Office on a part-time basis. Mrs. Elva Hockin, R.N., will be full-time Clinic Nurse in the Bowmanville Office.

The Health Unit and the Board of Education are working together on many programming aspects of common interest. Meetings were held to discuss educational psychology and training in this field with the staff of the Department of Psychiatry, Peterborough Civic Hospital. The forthcoming anti-smoking programme for elementary schools, which is conducted by the Northumberland and Durham TB and RD Association, was discussed and planned in a joint meeting. The staff of the Health Unit appreciated this assistance and co-operation.

The Medical Officer of Health and the Business Administrator, together with two members of the Board of Health, attended the Annual Meeting of the Ontario Health Units Association on September 29, 1969, in Parry Sound.

With the Health Unit expansion the part-time responsibilities of the Secretary-Treasurers for the Board of Health of Victoria and Haliburton and the Board of Health of Northumberland and Durham were terminated when Mr. H. E. Good was appointed Business Administrator. Mr. F. L. Weldon, who is also the Clerk-Treasurer for the County of Victoria, had served as Secretary-Treasurer of Victoria and Haliburton Health Unit since its formation early in 1968. Mr. L. R. Griffith was appointed Secretary-Treasurer of Northumberland and Durham Health Unit in January 1962, and his service to the many Boards of Health and to the staff members has been appreciated very much by all.

Charlotte M. Horner,
B.A., M.D., D.P.H.,
Medical Officer of Health.

HYLAND CREST SENIOR CITIZEN'S HOME TENDERS

Tenders are invited for the supply of approximately 60,000 Gallons COMMERCIAL FUEL OIL to Hyland Crest Senior Citizen's Home, Minden, for the 1969-70 heating season. Please note that service of equipment will not be required.

Quotations will be received up to and including November 30, 1969, by:

WARD SEELEY, Administrator,
P.O. Box 30,
Minden, Ontario.

Notice Of Nomination Meeting

TOWNSHIP OF LUTTERWORTH

NOTICE is hereby given to the Municipal Electors of the Township of Lutterworth in the County of Haliburton that in compliance with the statutes, in that behalf, I require the presence of the said electors at the Lutterworth Municipal Offices, in the said Township of Lutterworth, at the hour of 7:00 p.m. on SATURDAY, NOVEMBER 29, 1969, for the purpose of nominating fit and proper persons for the offices of

- 1 Reeve
- 1 Deputy-Reeve
- 3 Councillors

for the Township of Lutterworth; of which all electors are hereby required to take notice and govern themselves accordingly, and if a greater number of candidates than required to fill the said offices are nominated and make the required declarations, Polls will be opened in the Lutterworth Municipal Offices on SATURDAY, DECEMBER 13, 1969, and will be open from 9:00 a.m. until 5:00 p.m. and no longer.

Given under my hand this 12th day of November, 1969.

MRS. E. BURKE, Returning Officer.

A REWARDING PROFESSION

Most teachers become very fond of certain students. And, believe it or not, some students become very fond of certain teachers.

This was made painfully clear to me over the weekend. I became involved with a veritable spate of my former students. They're all at university now and each was going through some part of the particular hell that that involves.

It began on Friday afternoon. Gerry appeared at my classroom door, looking like a rabbit that has just had a run-in with a wolf. While the class I was about to teach chattered about what they were going to do tonight, chewed their gum, waved their mini-skirted legs, or dropped into a deep slumber, Gerry told me his troubles.

He is one of the nicest boys, and one of the weakest English students, it has ever been my fate to encounter. He's the kid who rushed about last June and bought me a bottle of burgundy and six golf balls after receiving the incredible news that he'd passed in English.

His only problem Friday was that he had three essays to write in six days. He was looking for a life belt. I was fresh out of them, but gave him some reference books, some sympathy and some ideas on how to tackle his essays.

I don't think he has a hope in heaven of passing his semester, under those conditions, but he's learned something: you don't wait until an essay is breathing down your neck before you write it.

That very night, another former student called her mum, who lives across the street from us. She wanted to know if the Smileys were going to be home for the weekend. If so, she was coming home, because she had to see Mr. Smiley.

She has graduated and is attending a college of education, purportedly learning to be a high school teacher. Her problem was a little different. She had to teach some poetry this week, as part of that 20th century form of the Spanish Inquisition known as "practice teaching". This involves facing a class of strange students, with an eagle-eyed professional teacher watching from the back

of the room. Harrowing is the world.

So I spent Saturday afternoon going over the poems with her and getting her all muddled up. But she left with a pile of notes and the feeling that she could survive the ordeal.

Sunday afternoon I met two more former students, under different circumstances. I could not help them with their work. It was in a funeral home and their mother was dead, tragically, after a brief illness. I kissed the girls and hugged them. There wasn't anything else to do or say.

Sunday night, one of them, Liz, closest friend of our daughter since Grade 7, came around and spent two hours talking with my wife and me. Not weeping, just talking in her sensible, sweet, 19-year-old way.

And last of all, there was another former student, my own kid, Kim, staggering around in that horrible chaos of first-year university. Bell Telephone stock took another good shot in the arm when her mother called her Sunday night.

She had just discovered that she'd been missing two biology lectures a week, all fall, because they weren't on her timetable. And maybe this was the reason she wasn't doing so well in biology. And she has an exam in it this week and she knows she'll fail and she'd like nothing better than to quit the whole silly business and get a job as a waitress.

And that's the way it goes, if you're a teacher. I've been at it for only ten years, but in that time, I've found very few youngsters who are vile or despicable. There are some. But most of them are funny, confused, lost, brash, shy, aggressive, kooky.

It's only when they become adults that they seem to turn into pompous bores, nagging wives, stuffed shirts, shrews, gossips and all manners of unpleasant creatures of both sexes.

Perhaps there's a great universal truth in there somewhere. But I can't find it. However, it makes up for a lot of the frustration and nerve-rending days of teaching when the blase, sophisticated teenagers come back to see the old man when they're in trouble.

Snowdon Council

The regular meeting of the Snowdon Township Council was held with the Reeve and all members of Council present.

The Minutes of the October meeting were read and adopted on a motion by Gerald Hicks, seconded by Ralph Young.

Applications for Wing Man and Helper were read and it was moved by Grace Simmons, seconded by Ralph Young, that the application of Carl Dugan be accepted.

Moved by Steve Hancock, seconded by Gerald Hicks, that the minimum fee for snowplowing driveways be increased from \$1.00 to \$2.00.

A request was received from the Department of Highways for an estimate of money to be spent on roads for 1970, and after a lengthy discussion it was moved by Steve Hancock, seconded by Grace Simmons, that we estimate the road requirements at \$30,000 for 1970.

Moved by Ralph Young, seconded by Gerald Hicks, that the bill in the amount of \$5.20 received from Cecil Burk for fence-viewing services be paid.

It was moved by Ralph Young, seconded by Gerald Hicks, that Road Voucher No. 10 amounting to \$1,494.77 be accepted and paid.

Moved by Gerald Hicks, seconded by Ralph Young, that this meeting be adjourned until December 17, 1969, at 7:00 p.m.

Deer Missing

LINDSAY (ENS) — Oh, dear, officer, we've lost the deer! Coboconk O.P.P. report a car struck a deer at 9:00 p.m. on Saturday, November 15, throwing the animal into the path of a second car. While the drivers were calling the Police to report the accident a third car came along, stopped, and the occupants took off with the deer. Probably frustrated hunters.

car insurance
rates (among other things).

Your choice of drinks can make a big difference in your insurance rates. Because if you drink alcohol—even if it's only once a year—you probably pay more for your insurance.

This agency insures both kinds of people. But to those who never drink alcoholic beverages, we can probably offer extra savings through Abstainers' Insurance Company.

This makes a lot of sense to the over 30,000 motorists who are Abstainers' policyholders. If it makes sense to you, call us about Abstainers' Insurance.

Abstainers' now also provides fire and other personal property coverage for non-drinkers. At low cost.

NEWS NOTES

Mrs. Howard Sellow of Halifax and her daughter and son-in-law, Mr. and Mrs. Gordon Guy of Belleville, visited the former's sister and brother-in-law, Mr. and Mrs. Arthur Mather, last weekend.

Mr. Albert Sanderson of Lindsay was a recent overnight guest with his parents, Mr. and Mrs. E. M. Sanderson.

Mr. and Mrs. Bev Harnden and family of Cobourg spent the weekend with her parents, Mr. and Mrs. Albert Saunders.

Mr. and Mrs. Francis Noble and Mr. and Mrs. Earl Smith attended the wedding of the former's nephew, Wayne McCrea, on Saturday, November 8. Best wishes to the happy newlyweds who will live in Peterborough.

Miss Hilda Clark of Oakville visited her parents, Mr. and Mrs. Walter Clark, last weekend.

Mr. and Mrs. Earl Smith were recent weekend visitors with friends in Lindsay.

Mrs. Francis Noble has returned home after a two-week visit with her daughter, Captain Donna Noble, in Toronto. Last Saturday Mr. and Mrs. Noble and Donna attended the wedding of Captain Wm. McCune of Haliburton, which took place in Burlington.

Mr. and Mrs. S. Keay of Peterborough visited with Mr. and Mrs. A.D. Miller on Sunday afternoon.

The members of The Tapioca Tunnel hope to arrange a Bus Trip to the Ice Follies in the Peterborough Memorial Centre next week.

Mr. and Mrs. Paul Stepanek visited the latter's parents, Mr. and Mrs. Harold Herlihey, last weekend.

MINDEN

Persons from the village in Toronto hospitals include Mrs. Harvey McIntosh, Mrs. Brockman and Larry Reynolds.

Mrs. Joyce Austen was in a car accident and is suffering a broken leg and other injuries at her home in this village.

We are sorry to report the death of J. A. Belfry of Kinmount. Sincere sympathy to Mrs. James Miles, a daughter, and to the rest of the family.

Mr. and Mrs. Phil Robinson and Bradley spent Saturday in Lindsay on business.

Persons from the village on holiday include Mr. and Mrs. Bob Wunker, Mr. and Mrs. Harry Campbell, and Mr. and Mrs. E. Teachman.

The United Church Basement was crowded last Thursday evening for the Dinner Party in honour of Candice and Archie Stouffer, who have lived in this village some 30 years. They will surely be missed by neighbours and friends.

CARNARVON

The sympathy of the community goes out to the family of the late Mr. James Packard, who passed away last week and was buried on Wednesday, November 19.

Mr. Frank Thomas and Mrs. Lily Van Kuren are spending a few days in Peterborough with Mr. and Mrs. LaVerne Thomas and family.

The Afternoon Group of the United Church Women met on Thursday afternoon at the home of Mrs. Gordon Allcorn.

Miss Laurene McKay was a weekend guest of Miss Pat Howe at Haliburton Lake. Mr. and Mrs. Max McKay were overnight guests of Mr. and Mrs. Ross Misener of Dorset.

Mr. and Mrs. Cliff Skelding were weekend guests of Mr. and Mrs. John Bennett of Zephyr.

Mrs. Hal Burton is home again after spending a few days in the Oshawa Hospital.

Today And The Future

When we look out into our world what do we see? Nothing but confusion, strikes, conflicts and frustration. We look at the past strewn with rubble, the result of wars and man's greed for power and the domination of others, and we look at the present only to find that we are faced once more with the same problem. So what hope have we for the future?

As we study the present day developments we notice that the H-bomb has brought into perspective the conflicting powers of good and evil. In the western world we uphold that which we believe to be right on sound basis while in the east we see other powers of evil striving for world

domination and a fully enslaved Communist world.

As the threat continues each power becomes more violently opposed to the other, and slowly tension rises. Then one day there will be an incident, probably in itself, which will act as a spark to the fire and suddenly everything will explode and there will be partial, if not complete, destruction.

Well, we might ask ourselves what of the future — are we all going to be destroyed, and if so that is the future for all of us. But there is still hope that our young generation will take over, that is, our faith in them.

B.A.C. Meeting Held On Sunday

The Brotherhood of Anglican Churchmen held their monthly Corporate Communion and Breakfast at St. George's Anglican Church in Haliburton on Sunday morning last at 8:00 a.m.

The program featured slides, tapes and comments on General Synod which was held in Sudbury in August.

Uncle Dudley's Column

I feel it my bounden duty this week to give tribute to one of Haliburton County's worthy sons. I refer of course to the late W. R. Curry of Haliburton Village.

As it is true of all men in public life, there are two personalities to the individual. There is the man you meet on the street, your neighbour and friend; an individual in himself ready and willing to do the kind act and go the second mile, loyal to both church and state. W. R., as he was affectionately known by his friends, filled this role well. Then there is the other side of the coin, the individual must never shed the coat of private life as he is the servant of the people. In this sphere W. R. excelled.

As Reeve for a good many years for the Municipality of the Township of Dysart et al, he was best known to myself and many of our colleagues, as he was an outstanding figure. When at the Council table his first concern was the welfare of the people he represented. Next to this was his great love for his home County where he resided all his life, as this was his second love. He served it well.

For a good many years he was Road Commissioner for Haliburton and North Victoria Riding and worked in conjunction with the township officials for a betterment of our road system, or rather trails as compared to our modern highways. He excelled in this work.

I was privileged to work with him on a good many occasions. I well remember on one occasion we were making a plea for some monetary help on our roads and we received \$35,000 for the whole County — rather discouraging work.

However, in the early thirties the Provincial Government decided to give us some consideration and the road now known as Highway 35, going through the County from south boundary to the north at Dorset, was completed. Since then we have never looked back, and W. R. Curry was active in all these movements.

The Red Cross Hospital, the hockey teams and all civic activities were dear to his heart.

We will miss his cheery smile and encouraging word, but there is no room for grief as he has wrought well and passed on to his reward.

A good and faithful servant!
Peace be with you!

Minden W.I. Hold November Meeting

The November meeting of the Minden Women's Institute was held in the United Church, with 21 members being present.

Mrs. P. Clarke presided and the Secretary, Mrs. L. Cox, called the Roll "Why I Buy Canadian".

Thirty-three cards were sent by the Visiting Committee.

It was moved and seconded that the prize money for the School Exhibits at the Fair be paid.

Mrs. B. J. Walker was thanked for her donation of a new quilt to be given to the needy.

The Card Party, with 14 tables, held in the Anglican Parish Hall proved a pleasant social link with the W.I. and netted \$22.50.

Mrs. Sears was our delegate to the Area Convention, with 570 attending at the Royal York Hotel in Toronto. Her report covered an inspiring three days, with Miss Carrie Jones from our group giving some interesting highlights.

Mrs. Sears reported attending the Workshop held in Lindsay re Historical Research.

Mrs. Wm. Moore gave a timely paper on "The Maple Sugar Industry" with its history and development in the County of Haliburton and also interesting descriptions of manufacture.

Mrs. Fairfield was congratulated on her 91st birthday, and received a gift from her "Secret Pal".

After singing The Queen and Table Grace a lunch and social visiting ended a worthwhile meeting.

Soyers Lake, modern 3-bedroom, partly insulated Cottage, 2 pc. bath, kitchen, living room, nicely furnished, 100 feet good level lot, excellent sand beach. Asking \$14,000.00, with terms.

Soyers Lake, beautiful year round modern Home on nicely landscaped lot, ultra modern kitchen, large living room, three bedrooms, 3 pc. bath, electric heat, large sun deck. See it now.

Please contact J. K. Smith for further information.

Various Lots on Canning Lake at \$35.00 a foot.

Please contact Bill Roodenburg, Ingoldsbys, Phone Minden 58W21

Haliburton Lake, three bedroom, log siding, partly insulated Cottage, 2 pc. bath, living room, kitchen, 12x16 screened porch, furnished, 100 feet of excellent sand beach. Asking \$12,000.00.

Little Kennis Lake, 3 bedroom, two-storey beam construction Cottage, double lot, 215 feet of excellent sand beach. Reduced to Sell.

Please contact Ruth Sawyer, Phone 2402 West Guilford.

BIRTHS

BELLWOOD — Roger and Fern (nee Carpenter) are happy to announce the arrival of their son, Shawn Arthur, 6 lbs. 7 oz., on Monday, November 10, 1969, at Ross Memorial Hospital in Lindsay.

MARRIAGE

Mr. and Mrs. Wilbert Bain of Eagle Lake wish to announce the forthcoming marriage of their daughter, Sharon Patricia, to Mr. Clinton E. Halladay, son of Mr. and Mrs. Lester Halladay of Elgin, on Saturday, November 29, 1969, in the Eagle Lake Community Church at 7:00 p.m. Wedding Dance at 9:00 p.m. in the Haliburton Legion Hall. Everyone welcome.

CARD of THANKS

I wish to express my sincere thanks to all those who sent cards and fruit, for telephone calls and those who visited me; special thanks to Dr. Service and assistant Doctors and Nurses of the Ross Memorial Hospital, Lindsay. Special thanks to you all.

Mrs. Warner Casey.

I would like to express my sincere appreciation to my relatives and friends for the cards, flowers and phone calls, also to those who visited me during my stay in the Scarborough General Hospital. A special thanks to the Doctors and Nurses of the hospital who took such good care of me.

Gordon Lewis.

I would like to take this opportunity to thank Dr. H. E. Good for his personal attention and care extended to me during my recent illness.

Oliver Sholer.

I would like to express my thanks to my friends and relatives who sent cards and gifts during my recent stay in hospital.

Craig Sproats.

IN MEMORIAM

FADER — In loving memory of Joseph Fader, who passed away on November 26, 1964.

Time may heal the broken-hearted,
Time may make the wound less sore,

But it cannot fill the longing
For the loved one gone before;
Who shall say the grief is lessened

Though smiles hide the tears,
Memories keep the wound still open

With the passing of the years.

—Daughter Josephine Davidson, Ajax, Ontario.

MACMINN — In loving memory of a dear daughter and sister, Debbie, who passed away November 24, 1968.

God needed a flower in His garden so fair
So Debbie was chosen to fill the place there,

We don't understand, we know not just why,

But we know she is safe in her home in the sky;

Our loss is her gain.

—Sadly missed by Mom and Dad, sister Susan and brothers Billy and Joe.

WOODCOCK — In fond and loving memory of our dear brother, Charles Raymond, who departed this life December 3, 1968.

Always a smile instead of a frown.
Always a hand when one was down;

Always true, thoughtful and kind.
Wonderful memories he left behind.

—Sadly missed by sisters Lenore, Elvena, Ruth and Rose, and brother Wallace.

Let me explain ... Confederation Life's disability benefit

Time off from work, through disability, is no laugh. In fact it's downright unpleasant. There are mounting bills for medical services and medicine, worries over the cost of day-to-day living without an income, and uncertainty about the future. At a time like this, you need a special kind of help - financial. With a Confederation Life Disability benefit you can replace part of your lost earning power. For more complete information on this, and other Confederation Life policies, telephone me or mail the coupon. I will welcome the opportunity to talk them over with you, in your home or office.

Tuberculosis And Respiratory Disease News

CANADIANS UNAWARE OF TB PROBLEM

Results of a survey taken in Ottawa by the Canadian Tuberculosis and Respiratory Disease Association show that the average Canadian considers tuberculosis a disease of the past. When asked whether they considered tuberculosis a serious world health problem today, 49 percent of those questioned answered: "Oh, not like it used to be". The remaining 51 percent believed that the problem existed to some extent but mainly in the under-developed countries.

TB is by no means a disease of the past nor a disease restricted to developing countries as many Canadians have been led to believe. Even here in Canada, reports the Canadian Tuberculosis and Respiratory Disease Association, there were 5,000 cases of the disease last year.

Moreover, in countries like Asia and Africa TB is as much of a problem as ever. In Asia, where two-thirds of the world's population lives, there are 3,000 deaths per day — or about two deaths per minute.

"For three-quarters of the people living in the developing

countries, the TB problem is exactly the same today as it was here and in other developed countries at the turn of the century", reports Dr. Johannes Holm, Executive Director of the International Union Against Tuberculosis.

Emphysema was the name given by the Greeks to a disease which until 10 years ago attracted little attention in Canada. The name means "inflation" and the Greeks had discovered that the lungs of a patient with Emphysema were stretched and would not contract to push out carbon dioxide so that fresh air could get into the lungs. Research into methods of treating the disease is one of the uses to which Christmas Seal funds are put.

Diseases of the lung claimed more victims during 1968 than did motor vehicle accidents. Christmas Seals fight these fatal diseases.

In 1968 the number of cases of Tuberculosis in Canada rose from the previous year. There were 4,851 new cases and 751 relapses, bringing the total to 5,602. Christmas Seals help stamp out

Smokers need not despair reports the Canadian Tuberculosis and Respiratory Disease Association. The report of the U.S. Public Health Service published in July of this year states that in the past year studies continued to confirm that death rates among ex-smokers are below those for smokers.

COX'S APPAREL

The Nation's Business

By WILLIAM C. SCOTT, M.P.

For a long time now, we've all heard a great deal about the possibility of the Province of Quebec separating from the rest of Canada. A few people have taken the possibility seriously, but the majority, particularly here in Ontario, have felt that it would never happen.

Recent developments in Quebec, however, have brought a new urgency to the problem and have made the possibility of separation a very real threat. Last week delegates to a council meeting of the influential St. Jean Baptiste Society voted overwhelmingly to support the principle of a separate national existence for the Province of Quebec.

Two things make this decision particularly significant. The first is that the St. Jean Baptiste Society, whatever sentiments some of its members might have expressed, never officially endorsed separatism until now. The second is that this organization commands prestige and influence in French Canada far beyond what might appear warranted by its numbers or its unofficial status. The Society's action in endorsing Quebec autonomy has definitely moved separation from the realm of a distant possibility to that of a distinct possibility. In these circumstances, it is interesting to explore some of the results of separation on the rest of Canada.

For instance, what would be the immediate effect upon the Government and the Parliament of Canada should Quebec secede? First and foremost, Prime Minister Trudeau and eight of his leading Cabinet ministers would immediately be without seats in Parliament and without any legitimate reason to remain in office.

Next, the Liberal Party would lose 54 seats in Parliament, reducing its number in the House

of Commons from today's 155 to 101. The Progressive Conservative Party would lose four seats and the Creditistes 14, or the entire membership of that party in Parliament.

The presumption of most separatists, at least the more orderly ones such as Rene Levesque, is that separation would be carried out quietly, unemotionally and with goodwill and good humour. This envisages negotiation between the Federal Government and provincial authorities on such things as territory to be included in the new state, share of national assets, future relations, etc.

But, could a government, whose leader and chief members were doomed to political extinction by the very separation they were discussing, be the proper people to conduct such negotiations? If not them, who?

These are all very real and basic questions that will have to be answered quickly should a separation crisis explode upon us.

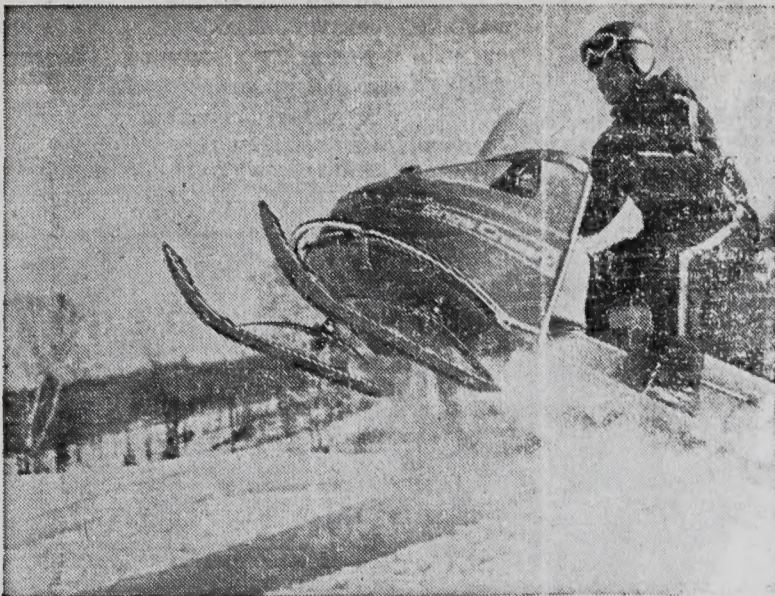

Only a few short months ago, anyone might be excused for dismissing them as pointless. But not today; not after some of the recent developments in Quebec.

There is a feeling among many people on Parliament Hill that the whole problem of Quebec and the rest of Canada is coming rapidly to a head. Little public comment has been made as yet for fear of enflaming the situation. But the problem remains, floating like an iceberg just beneath the surface of national affairs.

We will all have to give considerable thought to the questions it poses for all Canadians and come up with some answers pretty soon if Parliament and Canada, as we know it, is not to run head on into the iceberg and sink without trace.

21 November, 1969.

Farm Safety Zone Conference

Mrs. Robert Reeds of Reaboro, Chairman for the Victoria and Haliburton Farm Safety Council, Director of the Ontario Farm Safety Council Zone 2, chaired the recent Farm Safety Zone Conference held at Uxbridge in the Trinity United Church.

Participation was the key note for the learning communications programme conducted by Mr. Victor Morrow, Programme Co-ordinator, Rural Learning Association, which included a Force Analysis Chart, a Safety Skit, Safety Slogans created by the delegates, and working in groups to produce safety posters. The 41 delegates representing seven counties took part in the active seminar to identify reasons why people should become involved in organized Farm Safety programmes.

Mrs. Reeds introduced Mr. Oscar Snyder, Farm Safety Co-ordinator and Workmen's Compensation Co-ordinator, who showed a film, "Chance Of A Lifetime", which vividly described the increased hazards in working with modern farm machinery while harvesting corn.

Mr. Hal Wright, Provincial Farm Safety Specialist, extended greetings, and explained there is a rapid increase in growing corn causing more problems with using farm machinery which prompted the film of corn harvesting. He announced new films are being produced for next year.

Mr. Snyder gave a detailed report of a survey which had been conducted on farm machinery which cause accidents by not being kept in proper repair and by having missing parts such as the shields for the farmers' protection, these being removed and not replaced before beginning another farm operation. The startling facts from this survey regarding the accidents have promoted the production of a film on "Shielding".

Following a delicious dinner served by the ladies of the Church, Mr. Ed Goode, Provincial Director of Zone 4, brought greetings and warned of the growing number of accidents and dangers of children riding on tractors. Thought-provoking Farm Safety

Posters were displayed throughout the hall which exemplified the great need for more caution when farmers are using farm machinery and other hazards causing serious accidents. These posters were made available through the efforts of the Ontario County Agriculture Representative, Mr. H. L. Fair.

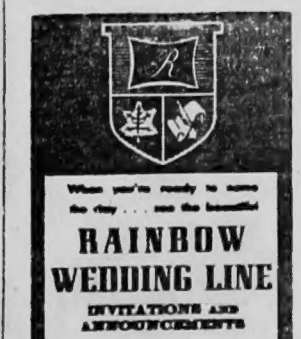

Ontario County Farm Safety Council Chairman Mr. MacMillan had welcomed the delegates to Uxbridge.

Counties represented included Prince Edward, Lennox and Addington, Northumberland, Durham, Peterborough, Hastings, Victoria and Haliburton, and Ontario.

Mrs. Reeds would be happy to accept invitations to speak at organizations on the work of the Farm Safety Council in Ontario.

CARNARVON

(Intended for Last Week)

Mr. and Mrs. Cecil Irwin are in Port Arthur attending a Forestry Convention. Mr. and Mrs. R. Thomson are occupying their home in their absence.

Mrs. Irv Newell of Gelert spent part of last week with her daughter, Mrs. Bill McKay.

Mr. and Mrs. Alf Wills have closed their store for a few weeks while they spend a well-earned holiday in Florida.

Mr. Willard (Bill) Barry of London, England is spending a holiday with his father, Mr. Ed Barry, and is visiting with other members of his family. Bill has not been back to his native country for over 20 years, so a happy reunion is being enjoyed by all.

Mrs. Arch McKay and Mrs. Bill McKay spent Friday in Lindsay.

Some of the ladies of the village gathered at the home of Mrs. Russell Packard on Monday night when Mrs. Vernal Harrison gave a demonstration of Studio Girl Cosmetics.

Don't forget, folks, it's time to renew those Christmas Gift Subscriptions of the County Echo to family and friends.

* * *

(Intended for November 13 Issue)

Mrs. James of Sudbury was a guest of Mrs. Ross Harrison last week.

Mrs. Norman Wallace has returned home after being hospitalized in Toronto where she underwent eye surgery. All wish her well and a speedy recovery.

Mrs. Hal Burton spent part of last week with her daughter and family, Mr. and Mrs. Roger Harrison in Oshawa.

Mr. and Mrs. M. B. Windsor left on Thursday for their winter home in Florida.

Mr. and Mrs. Ron Davies and son Cory spent the weekend with Mr. and Mrs. Bob Cowan.

Guests of Mr. and Mrs. Norman Brown were Mr. and Mrs. Ralph Cooper of Brantford for a few days' last week. Mrs. Percy Graham of Port Arthur and Miss Glenna Downey of Barrie were weekend guests.

It was decided last Monday evening at the General Meeting of the U.C.W. to merge both groups into one, with meetings to take place the first Monday evening in the month. We would like to welcome more ladies of the community to attend and join us in this work.

Mr. and Mrs. Jeff Edwards have returned to Lindsay after being with us all summer at their cottage.

Mrs. Albert Davies and son Miles of Kirkfield are spending a few days visiting around with friends and relatives.

Mr. Ed Devitt of Waterloo and Mr. Dave Brown of Hamilton called on the Max McKays on Saturday.

WILBERFORCE

(Intended for Last Week)

Mr. and Mrs. Elborn of Toronto visited on Sunday with Mr. and Mrs. R. Schofield.

Some of the visitors from out of town who called on Mr. and Mrs. Leonard Holmes last week were Mr. and Mrs. Graham Thorburn of Haileybury; Mr. and Mrs. Ernest Thompson and daughters Barbara and Patsy (Mrs. Monet) of Monctonville; Miss Dianne Grassie, Mr. Frank Lloyd and Mr. Bill Gear of St. Catharines; Mr. and Mrs. Leonard Speers, Mr. and Mrs. Ken Speers, Mrs. W. Hayes and Mr. Derek Hayes of Toronto; Mr. and Mrs. Norman Palk of Cameron; Mr. and Mrs. Art Kemp of Burlington; Mr. and Mrs. Pete Rozak and family of Simcoe; Mr. and Mrs. Mike Ludwig of St. Williams; Mr. and Mrs. Fred Blayney of Port Dover; Mr. Bill Hertel of Kitchener; Mr. and Mrs. Ross Lautenslager of Hamilton; Mr. and Mrs. Barry Bailey and Mr. and Mrs. Bob Bailey of Stoney Creek.

Mrs. Jim Murdock of Peterborough visited with her parents, Mr. and Mrs. G. Stevens, last week.

Approximately 75 men attended the Hunters' Night at The Tapioca Tunnel. The gun and shells donated by Remington were won by Lloyd Barnes. Everyone enjoyed the interesting films shown by Conservation Officer Tom Corbett on behalf of the Department of Lands and Forests and the display of guns owned by Lloyd Barnes.

Club News

On Wednesday, November 19, the Directors' Meeting of the Minden Curling Club was held at the Curling Rink. President Jack Johnson had the lights on over the ice surface and everyone was most enthusiastic to see the ices all taped and ready to go.

Membership Committee Chairman Mark Vasey reported that the outlook for the season was good, and curlers are looking forward to plenty of action. Of course there is always room for one more — see Mark.

The Club has decided to renew its membership with the Ontario Curling Association. This is most important if club members wish to enter Bonspiel Competitions.

The Minden Curling Club is entering three rinks in the Tri-County Bonspiel, an annual event held early in December. We wish them luck and success in this popular competition.

Fun Curling begins this week and regular schedule curling next week.

Happy curling!

Letters to Editor

(Continued from Page One)

sits back on their haunches to see a miracle happen. Well, nothing can happen without doing something. So come on, you younger guys, you can do as well as the ones in now. I dare say they had to feel their way too, and by taking the bull by the horn they're still there!

And as far as Dave Johnson raising his bristles about Mr. Sisson saying that the assessments are unequal, he might just as well let his hair down as he knows damn well that the assessments aren't fair. He himself told me that it will take time to get it all adjusted.

One can not blame Brown Camps if their assessments are lower than some others — that condition existed before Brown Camps bought the properties. I know of one instance where I was assessed only \$5.00 less than another party who had even one shed more than I did and over 200 acres and I had only five acres, and the excuse was that I was on a paved road. And yet, Mr. Sisson, you have 78½ acres, some on one side of the road and some on the other but both sides are on paved roads, and yet you are assessed only \$5.00 more than I with five acres. I am not complaining, Mr. Sisson, I'm only bringing out the fact that you were right about the unequal assessments.

So don't let the Johnson ultimatum scare you, woof! woof! They always have an answer for everything and you can't get at things they have to find out.

As far as not having complained about your assessments and taken it to the Court of Revision, I have, and my assessment was reduced from \$720.00 to \$645.00 but my taxes were \$15.00 more the next time. So how can you figure that out? It does seem that the Township gets little enough out of the high taxes.

And as far as Brown Camps getting \$27.00 for each child a day is nothing out of the way. Our tax dollars also build the orphanages in the cities and supply them too, and that management gets just as much for each child as Brown Camps. But they have superintendents and assistant superintendents for everything, with juicy salaries that go to the chosen few, namely the politician's pets. And if a child doesn't behave he is soon put someplace where he doesn't need any supervision, thus reducing the need for many employees and more money for juicy salaries. At least Brown Camps have created a lot of employment for the people here and are sharing the money with the community they reside in.

Mr. Rogers' letter was rather suave and he knows that some of the things aren't kosher, but then he owns a lot of property.

But anyway, come on you guys, the door is open so let's see how much guts you've got. Every beginning is hard, so let's go!

Elizabeth T. Nunn.
